Clinic compliance calendar 2027 / *Arizona*

What med spas, IV clinics and CLIA-waived labs in Arizona commonly renew or keep current, roughly when, and the official source for each.

Med spas | IV & hydration clinics | CLIA-waived labs

ARIZONA LAYER

Arizona items *to track.*

Arizona's fixed statewide date is Jan 1 (the ADHS nonionizing annual fee). Other items renew on your own certificate dates.

WHAT RENEWS OR IS DUE	WHEN / HOW OFTEN	OFFICIAL SOURCE	YOUR DATE
Nonionizing radiation annual fee (laser, IPL, RF) Registered laser, IPL and RF facilities	Every year, due Jan 1 (Jan 1, 2027, then Jan 1, 2028)	ADHS nonionizing fee schedule	_____
Nonionizing radiation registration renewal Registered facilities	Every 5 years from the month of your last application	ADHS renewal guidance	_____
Laser technician certification renewal Each certified laser technician	Every year; the renewal window opens 60 days before expiry	A.A.C. R9-16-704 (Cornell LII)	_____

What's here
The what and the when, with a link to the agency that sets each rule.

Your date
Write in the expiry dates from your own certificates, then add them to your calendar.

What applies
Depends on your services, devices and ownership. Your medical director and attorney confirm.

FEDERAL LAYER

Federal items *every clinic shares.*

These apply in Arizona and every other state, depending on what your clinic does: waived testing, staff exposure to blood, controlled substances, electronic billing.

WHAT RENEWS OR IS DUE	WHEN / HOW OFTEN	OFFICIAL SOURCE	YOUR DATE
CLIA Certificate of Waiver Sites that run waived tests	Every 2 years, by the expiry date on your certificate	CMS CLIA fee schedule	
CLIA PPM certificate Sites doing provider-performed microscopy	Every 2 years, by the expiry date on your certificate	CMS CLIA fee schedule	
CLIA change notice CLIA certificate holders	When your lab director, address, ownership or test menu changes	CMS QSO-24-03	
OSHA bloodborne pathogens exposure control plan Employers whose staff have occupational exposure	Reviewed at least once a year	29 CFR 1910.1030 (eCFR)	
OSHA bloodborne pathogens training Staff with occupational exposure	At assignment, then every year	29 CFR 1910.1030 (eCFR)	
Hepatitis B vaccine offer Staff with occupational exposure	Within 10 working days of assignment	29 CFR 1910.1030 (eCFR)	
DEA registration renewal Each registrant or location handling controlled substances	Every 3 years; DEA advises renewing at least 45 days before expiry	DEA Diversion Control	
HIPAA policies and risk analysis Covered entities only (your attorney confirms coverage)	Periodically; many clinics review yearly	45 CFR 160.103 (eCFR)	

ALSO ASK ABOUT: NO RELIABLE OFFICIAL SOURCE YET, SO CONFIRM WITH THE AGENCY

Medical director and delegation requirements for med spas · **confirm with Arizona Medical and Nursing Boards**

Medical waste transport and records · **confirm with ADEQ**

State lab requirements for waived-test sites, beyond CLIA · **confirm with ADHS**

State controlled-substance requirements · **confirm with Arizona Board of Pharmacy**

OSHA Hazard Communication (chemical safety data sheets, staff training) · **confirm with OSHA**

DEA controlled-substance inventory · **confirm with DEA**

Drug supply-chain (DSCSA) purchase records, if you buy prescription drugs · **confirm with FDA**

RHYTHM OF THE YEAR

How the cycles *stack up.*

Every new hire
Bloodborne pathogens training at assignment; hepatitis B offer within 10 working days.

Every year
Exposure control plan review and staff retraining; ADHS fee (Jan 1) and laser tech renewals.

Every 2 years
CLIA.

Every 3–5 years
DEA registration; ADHS registration (5 years). Plus anything triggered by a change: new owner, address, director or device.

Want your real dates, *found for you?*

Get a free Clinic Check: a one-page list of what your clinic has coming due and what looks missing, each with its source, reviewed by a person and sent within 3 business days. Mention this calendar when you send it.

clinicfilinghq.com/clinic-check

Free · about 2 minutes · no patient information

Winter enrollment: the $1,500 setup fee is waived for clinics that start a plan by January 31, 2027. We do the "how": each renewal prepared for your signature, reminders at 90, 60, 30 and 7 days, and your inspection binder kept current.

Not legal or medical advice. This calendar is general information for planning. Clinic Filing HQ is an independent service of Voraus LLC; we are not a law firm or medical practice and are not affiliated with CMS, DEA, OSHA, FDA or any state agency. Which items apply depends on your services, devices, staff and ownership; your medical director, your attorney and the agency decide. Rules, dates and cycles change: always check the official source linked for each item. Checked against those sources on November 2, 2026. Questions: hello@clinicfilinghq.com.
